Chers amis !

Nous sommes énormément privilégiés de vous recevoir à la ferme ce 17 juillet 2021.

C'est un peu déchirant mais, toute une fierté de partager avec vous des sujets provenant de notre fameuse vache coup de cœur, Lynzi ainsi que des lots issues de Vanessa et June lors notre vente JM Valley Holstein 2021.

Merci à nos partenaires, plus particulièrement Stéphane, Rick & Shannon et F & D. Borba pour leur confiance ; sans eux toute cette histoire n'aurait été écrite autour de Lynzi.

Merci à Kate, Alexandra, Harold et Léo qui font parti de notre quotidien et qui contribuent chacun à leur façon à la préparation de la vente.

Merci aux consignataires de participer en vous offrant eux aussi des sujets de très grande qualité.

Nous tenons à remercier nos familles et nos amis pour leur support inconditionnel dans nos projets de fou. Nous sommes comblés d'être si bien entourés.

Bon succès à tous les acheteurs et surtout, beaucoup de plaisir lors notre événement où enfin nous pourrions nous retrouver entre passionnés!

Dear Friends!

We are extremely privileged to welcome you to the farm this July 17, 2021.

It's a bit heartbreaking but, it is with great pride that we offer progeny from our famous favourite cow, Lynzi, as well as lots from Vanessa and June during our JM Valley Holstein 2021 Sale.

Thank you to our partners, especially Stéphane, Rick & Shannon and F & D. Borba for their trust. Without them this whole story would not have been written around Lynzi.

Thanks to Kate, Alexandra, Harold and Leo who are part of our daily lives and who each contributed in their own way to the preparation of the sale.

Thank you to the consignors for participating by offering you very high-quality consignments.

We would like to thank our families and friends for their unconditional support of our crazy projects. We are delighted to be so well surrounded.

We wish great success to all buyers and, above all, a lot of fun during our event where enthusiasts can finally come together again!

Mireille & Joël

Termes et conditions

TERMES

Le prix de vente sera payé comptant et les animaux ne seront pas remis à l'acheteur avant qu'un règlement satisfaisant ne soit effectué.

OFFRES

L'encanteur doit accepter toutes les offres, à l'exception de celles qui sont considérées irresponsables et l'enchérisseur faisant l'offre la plus élevée sera considéré l'acheteur.

Dans le cas où il y aurait une dispute sur la décision concernant l'enchérisseur le plus offrant, l'animal devra encore une fois être offert pour des offres avancées et s'il n'y a pas d'offre avancée, l'animal sera vendu à l'achérisseur dont la dernière offre fut acceptée par l'encanteur.

Tous les animaux annoncés pour la vente à l'enchère sont engagés absolument et positivement à être vendus (à moins qu'ils ne soient retirés de la vente pour une raison valable avant d'être mis en vente).

Il est défendu pour le vendeur d'engager une personne à faire des offres pour lui, excepté dans le cas de copropriété lorsque l'offre est faite avec l'intention de répartir à nouveau les parts de copropriétaires et à condition que l'intention d'une telle enchère et la raison pour cette enchère soient annoncées avant le début de l'enchère pour l'animal en question.

Toute offre réservée garantissant le prix à être perçu pour la vente de tout animal est défendue.

#CHOIX

35% payable le jour de la vente et la balance due au choix un veau à 4 mois d'âge, pour le plus jeune. En cas de problème, le gérant de la vente agira en tant que médiateur entre l'acheteur et le vendeur sur les problèmes de choix, mais il n'est AUCUNEMENT responsable vis-à-vis de l'acheteur ou du vendeur pour ce qui concerne le remboursement de toute commission réalisée sur la vente.

RISQUE

Les animaux achetés à une enchère deviendront la responsabilité de l'acheteur aussitôt qu'ils seront retranchés comme vendus.

ERREURS

Toute erreur relevée dans le catalogue sera annoncée de l'emplacement de l'encanteur. Toutes les annonces provenant de l'emplacement de l'encanteur auront la priorité sur toute autre indication dans le catalogue.

CERTIFICATS

Chaque animal offert en vente, en tant qu'animal enregistré, doit être enregistré, dans le livre généalogique de l'Association. Si un animal est offert en vente comme étant éligible à l'enregistrement, le vendeur et le gérant des ventes sont responsables pour obtenir le certificat d'enregistrement, et une application doit, par conséquent, être soumise avant que l'animal ne soit vendu. Si le certificat d'enregistrement ainsi que le certificat de transfert ne sont pas remis à l'acheteur dans les 60 jours suivant la date de la vente, l'acheteur est en droit, s'il le désire, de retourner l'animal et de se faire rembourser le prix d'achat. Les certificats d'enregistrement et de transfert doivent être fournis sans charge à l'acheteur par le vendeur.

PURITE

Tous les animaux sont purs à 100%, sauf indication contraire.

EXPORTATIONS

- Lorsque le vendeur accepte les tests de santé pour l'exportation (et dans le cas d'une vente à l'encan, une telle acceptation est annoncée par l'encanteur avant que la vente ne débute), l'animal devra être considéré au risque du vendeur lorsque vendu ou retranché dans le cas d'une encan. Si, toutefois, l'animal subséquemment manque de passer un des tests de santé pertinents dans les 180 jours de la vente, alors, à l'option de l'acheteur, le contrat peut être résilié, l'animal retourné et le prix de vente (si payé en entier ou en partie) devra être remboursé. Le prix de vente est payable et le contrat de vente considéré comme exécuté et final au moment où l'animal passe les tests de santé stipulés, ou à l'expiration des 180 jours, quelle que soit la première occurrence.
- L'animal peut être laissé à la charge du vendeur jusqu'à ce que la vente soit annulée ou exécutée et finale. Dans ce cas, le vendeur ne sera pas responsable à l'acheteur pour toute perte ou accident pourvu que le vendeur nourrisse et prenne soin convenablement de l'animal le temps qu'il l'ait à sa charge.
- Tous les arrangements nécessaires pour les tests de santé pour l'exportation seront faits par l'acheteur et à son propre compte.

GARANTIES

Le vendeur garantit son titre incontestable et son droit de vendre chaque animal offert en vente. Tous les animaux offerts en vente sont garantis en bon état. A moins d'une déclaration contraire, tous les animaux sont garantis comme étant reproducteurs conformément à ce qui suit.

a) MALES

Si un taureau âgé de plus d'un an ne réussit pas à être reconnu comme étant un reproducteur après avoir été employé pendant quatre mois pour des vaches qui sont des productrices reconnues, la chose devra être rapportée par écrit au vendeur, qui a le droit pendant quatre mois d'essayer de prouver que le taureau est reproducteur. Si le vendeur ne peut pas prouver que le taureau est reproducteur, l'animal sera retourné au vendeur et le prix de vente sera remboursé à l'option de l'acheteur. Afin de se qualifier comme reproducteur, un taureau doit être capable d'accomplir un service naturel.

b) FEMELLES

Sauf pour les exceptions ci-après mentionnées, toutes les femelles de quinze mois ou plus le jour de la vente sont garanties reproductrices. Dans le cas où une femelle qui n'a jamais vêlé serait vendue, non saillie, ayant atteint l'âge de quinze mois et qui ne réussit pas à devenir l'estante d'ici quatre mois après un service par un taureau enregistré de la même race, étant un reproducteur reconnu, et après avoir été traitée par un vétérinaire qualifié, de telles circonstances devraient être rapportées au vendeur par écrit. Le vendeur aurait droit à une période de quatre mois suivant la date d'un tel avis pour prouver que la femelle est une reproductrice en la faisant saillir avec un taureau enregistré de la même race. Si le vendeur ne réussit pas à prouver que la femelle est une reproductrice, la vente peut être annulée et le prix de vente remboursé si l'acheteur le désire.

c) Une femelle qui a vêlé dans une période de trois mois avant la date de vente est reconnue comme reproductrice.

d) Une femelle qui est gestante lorsqu'elle est vendue est reconnue comme reproductrice.

e) Il n'y a aucune garantie qu'une femelle qui, après la vente, est soumise à des ovulations multiples ou à la transplantation d'un seul embryon, est une reproductrice.

f) Les femelles de moins de quinze mois le jour de la vente sont vendues sujettes à une garantie qu'une telle femelle lorsqu'elle aura atteint l'âge de douze mois sera certifiable, par un vétérinaire qualifié, comme possédant des organes reproductifs adéquats.

g) Il n'y a aucune garantie qu'une femelle

(i) donnera naissance à un veau normal, ou

(ii) portera un veau à plein terme.

GENERAL

Le gérant des ventes et l'agent du vendeur ne sont pas personnellement responsable pour des garanties ou des représentations faites bona fide en mettant sa confiance sur la crédibilité des renseignements donnés par le vendeur. Le vendeur est responsable de telles garanties et représentations. Les plaintes devraient être faites au vendeur et/ou au gérant des ventes. Dans tous les cas, la responsabilité du vendeur envers l'acheteur est limitée au prix de vente payé par l'acheteur.

Terms & conditions

TERMS

Payments of the price shall be made in cash, and animals shall not be released to the buyer until satisfactory settlement has been made.

BIDS

The Auctioneers shall accept all bids, other than those considered to be irresponsible, and the bidder offering the highest bid shall be the buyer. In case of dispute as to the successful bidder, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the bidder from whom the auctioneer accepted the last bid.

Every animal advertised for sale at auction is pledged to absolute and positive sale (unless withdrawn for just cause prior to being offered for sale).

By-bidding is prohibited except in the case of a joint ownership when the purpose of the bidding is to re-apportion the owners' shares and provided that the intention to so bid and the purpose thereof is announced prior to all bidding for the animal in question.

All reserve bids of guarantees of price to be received from the sale of any animal are prohibited.

FIRST CHOICES#

The successful bidder of a Choice has the opportunity to select his/her choice from resulting offspring (often from several pregnancies). Terms for Choices are as follows: 35% down on sale day, balance on possession when the youngest choice reaches four months of age. Should an acceptable sound healthy calf not result from the respective flush or flushes, the following steps will be taken to fulfill the purchase agreement. Seller will offer choice of other flushes or calves that are available from the donor. If no pregnancy is available, the seller shall provide the buyer a healthy calf from another cow of equal value. Sale management will mediate with buyer and seller on any issues regarding choices, however Sale management is NOT liable to buyer or seller regarding refund of any sale commission.

RISK

Animals purchased at auction shall be held at the buyers' risk as soon as they have been struck off as sold.

ERRORS

Any error noted in the catalogue will be announced from the Auctioneer's stand. Any announcements from the Auctioneer's stand will take precedence over any matter in the catalogue.

CERTIFICATES

Each animal offered for sale as registered, must be registered in the Herd Book of the Association. If any animal is offered for sale as eligible for registration, the seller and the sales manager are responsible for obtaining the certificates of registry, and application therefore must be made before the animal is sold. If the certificate of registry, together with the certificate of transfer, are not provided to the buyer within 60 days following the date of the sale, the buyer is entitled at his option to return the animal and to a refund of the purchase price. Certificates of registry and transfer shall be provided by the seller to the buyer without charge.

PURITY

All animals are 100% pure unless otherwise specified.

EXPORT

- Where the seller agrees to stand export health tests (and in the case of an auction begins), the animal shall be considered at the seller's risk when sold or in the case of an auction, struck off. If, however, the animal subsequently fails to pass any of the relevant health tests within 180 days of the sale, then at the buyer's option, the contract may be rescinded, the animal returned and the sale price (if paid in whole or in part) shall be refunded. The sale price is payable and the contract of sale considered to be executed and final, upon the animal passing the stipulated health tests, or upon the expiration of 180 days, whichever shall first occur.
- The animal may be left in the seller's custody until the sale is rescinded or becomes executed and final. In that event, the seller shall not be liable to the buyer for any loss or injury provided the seller shall reasonably care for and feed the animal while in his custody.
- All necessary arrangements for export health tests will be made by and at the expense of the buyer

Information or comments supplied by the Sale Management are indicated by #.

WARRANTIES

The seller warrants clear title to and the right to sell each animal offered for sale. All animals offered for sale are warranted to be sound. Unless otherwise stated, all animals are guaranteed to be breeders in accordance with the following:

a) MALES

Should any bull after reaching the age of one year fail to prove a breeder after being used for four months on cows known to be breeders, the matter shall be reported in writing to the seller, who shall be entitled to a period of four months following the date of such notice in which to prove the bull a breeder. If the seller fails to prove the animal a breeder, the animal shall be returned to the seller and the sale price refunded at the buyer's option. In order to qualify as a breeder, a bull must be able to perform a natural service.

b) FEMALES

Save as hereinafter excepted, all females fifteen months of age or older at the date of sale are guaranteed to be breeders. Should a female which has not yet freshened be sold, not pregnant, having reached the age of fifteen months and fail to come pregnant within four months after service to a registered bull of the same breed known to be a breeder, and after treatment by a qualified veterinarian, such circumstance shall be reported to the seller in writing. If the seller fails to prove the female breeder, the sale may be rescinded and the sale price refunded at the buyer's option.

- c) A female which gave birth to a calf within a period of three months prior to the date of sale is deemed to be a breeder.
- d) A female pregnant when sold is deemed to be a breeder.
- e) There is no guarantee that a female which, after the sale, is subjected to multi-ovulation or single-embryo transfer, is a breeder.
- f) Females under fifteen months of age at the date of sale are sold subject to a guarantee that such a female will, upon attaining 12 months of age, be certifiable by a qualified veterinarian as possessing adequately developed reproductive organs.
- g) There is no guarantee that a female:
 - i) will give birth to a normal calf, or
 - ii) carry a calf full term.

GENERAL

The sales manager is the seller's agent and is not personally responsible for any warranties, guarantees or representations made bona fide in reliance upon information provided by the seller. The seller is responsible for all such warranties, guarantees and representations.

Complaints should be made to the seller or sale manager before the close of the sale.

In all cases the seller's responsibility to the buyer is limited to the sale price paid by the buyer.
