

CAREERS

Bilingual Customer Service Representative

*This position can be performed from Ontario or Quebec

HOLSTEIN CANADA is the largest dairy breed association in Canada, serving our membership of more than 10,500 active dairy producers since 1884. With dynamic leadership and a clear vision, we are building an exciting, tech-friendly future. We offer a strong team-oriented workplace, supportive leadership, and the chance for you to develop along with us.

YOU enjoy crossing things off your to-do list. You build strong customer relationships and rapport over the phone and email. You get the job done quickly and accurately, and you prefer being busy. You work well with details, always looking for gaps and searching for answers. You embrace change. You are a positive team player who thrives on a team where expertise is shared and feedback is welcomed. The small customer service team is friendly and fun, and builds strong relationships with our customers and members.

In this role, YOU WILL:

- Work with producers on dairy cattle registrations, genomic results, tag orders and other services; contact producers to validate and obtain missing information
- Answer customer questions and share information about our services
- Ensure client files are updated and accurate, using a custom software
- Promote and be a resource for Holstein Canada services and programs
- Interact professionally and respectfully with customers and team
- Actively participate in team, corporate events and training

YOU OFFER:

- Bilingual (French/English), written and spoken
- Familiarity with the dairy industry
- Post-secondary education and/or equivalent
- 1-2 years experience providing quality customer service
- Effective time management, including the ability to prioritize, organize, multi-task, and problem solve
- Passion for providing positive, proactive customer service
- Strong communication, teamwork, interpersonal skills
- Ability to think quickly and respond effectively

As part of the selection process, a language proficiency assessment will be conducted.
